

N3766w

**37" WIDE-SCREEN
HD-READY LCD TV
WITH DIGITAL TUNER (DVB-T)**

Razor-sharp, brilliant viewing experience with HDTV

The ViewSonic N3766w LCD TV is a big screen LCD TV for maximum entertainment value. This brilliant performer offers rich connectivity options for analogue and digital video inputs - such as SCART, component, PC-VGA, and HDMI (HDCP enabled). It also features a built-in analogue and digital DVB tuner. Easily connect your DVD player, HD set-top boxes, game consoles, digital camera and more. Its sleek, elegant silver design fits perfectly in every home. The latest panel generation and advanced image optimiser electronics returns pictures that are as close to original as possible - no matter if you are watching your favourite TV show, enjoying thrilling gaming action with your family or watching a movie. Integrated SRS WOW for dynamic surround sound completes your home cinema experience. N3766w - excellent technology and classic design for maximum convenience.

IMPRESS YOUR FRIENDS, IMPRESS YOURSELF

- > **Built-in DVB-T** – decode and watch the digital world of TV programs!
- > **Advanced image processing**
Integrated motion adaptive progressive scan, 3D comb filter and 3:2 pull down give you a larger, clearer picture with fewer artefacts. Low level contrast enhancement brings clarity to darker images.
- > **Experience wide-screen HDTV**
Enjoy a wide-screen theatre experience and high-definition² picture quality with this display's 16:9 aspect ratio, HD ready capability, and wide viewing angles.
- > **Vivid graphics, clear text, stunning TV**
Ultra-high brightness of 500cd/m² (typ.), high contrast ratio of 800:1 (typ.), and 1366 x 768 optimum resolution provides vibrant video and crisp data images on the desktop or in the living room.
- > **Expand your options with plug-and-play connectivity and universal remote control**
This HD ready, LCD TV provides the ultimate viewing experience with plug-and-play, high-end connectivity for HD set-top boxes, DVDs, game consoles and camcorders.
- > **OptiSync[®] technology featuring HDMI**
Add versatility to your LCD TV with support for HDMI with high-bandwidth digital content protection (HDCP) and analogue (PC-VGA) signals, plus component, S-video and composite video input.
- > **Powerful high-fidelity audio**
It's all accompanied by an ultra-high-fidelity 20 watt SRS TruSurround audio system that completes the entertainment experience.
